## March and April Lunches

We still have dates open for lunch making in March and April. You can volunteer to do only the adults, only the children, or both. On the weekends we provide for 38 adults and 26 children. During the week we provide for only the adults.

Dear Ladies,

At this time I am happy to say we will be able to keep the shelter open through April. We have accomplished a great deal in 2 1/2 months. The children are flourishing because of your good work as they don't have to worry about sheltering in a car or tent or if they will have food that day.

I am also happy to report that quite a few of the clients are attending school. Some for a GED, a few training to become air conditioning mechanics, and three women will complete a CNA (Certified Nurse Assistant) degree by the end of April. Some are working and many are diligently trying to find work.

I'm going to again ask your help in preparing lunch for the clients of Lighthouse for Broken Wings/A Sheltering Heart. Whatever you can manage is appreciated, Many of the ladies have asked friends or neighbors to help, which makes preparing lunch more manageable. I have also been told they have enlisted the help of their husbands.

Again, on behalf of myself and the clients of Lighthouse for Broken Wings/A Sheltering Heart, thank you for all you have done and continue to do.

If you have any question or suggestions, please call me 302-645-2383.
